### **\*Important Information: School Service Contracts**

School service contracts must be signed, dated, and approved by administration prior to students beginning the contract and when the work is complete. Most contracts should consist of at least five 30-45-minute sessions unless otherwise noted. Students will be given opportunities throughout the year to complete service contracts. Several opportunities for service credit will be on the Century website "Block C" tab. April 20<sup>th</sup> is the last day administration will sign a service contract. Students will receive a document/receipt when contract is completed. Students should keep that document with this Block C checkout sheet.

### **\* Important Information: Availability of Spirit and Service points**

Depending on personnel, some clubs may or may not be offered during a school year. Furthermore, at times the school may introduce new opportunities that will count as points for Block C.
