Message from the Principal

On behalf of the faculty and staff, welcome to Century Elementary School, home of the Tigers. We look forward to working in partnership with you. To provide the best education possible for your children. The Century program reflects our belief in high standards and high expectations. Century's motto is "Building Pride in Every Way." Century's students are strong in mind, body, and spirit. Students build pride by succeeding in the classroom, on the stage, and during competitions. Students that attend Century are competent and confident that they can meet the future's challenging demands. This handbook has been prepared to provide a convenient reference for basic and essential school information. In order to provide a safe and efficient environment, the handbook will be updated regularly. Revision dates will be listed on the cover.

Arrival Time at School

Supervision is provided during the school day starting at **8:05 A.M.** Students who are not enrolled in Campus Club should not be on campus until that time.

Dismissal and Pick-up of Children

All students should go home immediately at the end of the school day or be picked up within 10 minutes of school dismissal unless they are involved in an after school activity or enrolled in Campus Club. Parents should use the Sunnyside parking lot to drop off and pick up students in Grade 1-6. Kindergarten parents should use the El Paso parking lot.

Century's "Failure to pick up policy"

It is parents' responsibility to know dismissal times and to pick up their children from school in a timely manner. Students are not allowed to remain on campus after the regular instructional day without being involved in a co-curricular program, tutoring, or enrolled in Campus club. Parents who regularly fail to pick up their children in a timely manner will be referred for a School Attendance and Review Board hearing.

Early Dismissal (Wednesday)

On Wednesday, Morning Kindergarten is released at 10:55 AM. Afternoon Kindergarten students start school at 11:00 AM and are dismissed at 1:45 PM every Wednesday. All students in grade 1-6 are released at 1:45 PM.

Attendance Policy

Regular school attendance is important to your child's progress. Perfect Attendance will be defined as a student with no absences or unexcused tardies. All absences must be cleared within 5 days of the absence. Parents should call the school office, send a note when your child returns to school stating the reason for the absence, or utilize the online absence form on the Century web page. Absences not cleared are considered truancies. If absences become a chronic issue, we are obligated by California Education Code 48200 to refer the matter to the site Student Attendance Review Board (SARB). Students on independent study are not eligible for perfect attendance. Pursuant to California Education Code 48200, students shall attend the full school day. Each parent or guardian is responsible for sending the student to school for the entire day.

Tardies

If your student reports to school after 8:30 am, he/she must first report to the office to obtain a tardy slip to be given to the teacher. If your student is late due to a doctor's appointment, please submit a note from the doctor to

the attendance office

Independent Study

- a. If a student is going to be absent from school for five or more consecutive days (other than illness), the student should be placed on an Independent Student Contract.
- b. This contract is to be signed by the student and parents. All assignments are to be written on the contract and handed in completed on the student returns.
- c. Parents must request the Independent Study Contract at least one week or longer before the student will be absent from school. This will allow time for the teacher and staff to prepare the contract and work for the student to be successful.

Informing the Office of Upcoming Vacation

We ask that you let your child's teacher know well in advance if your child is going to miss a day, or days, of school due to a vacation or a trip, etc. This gives the teacher time to prepare school work on an Independent Study contract to be done so the student will not fall behind in class.

Leaving the Country

If a student should leave the country for more than two weeks they will be dropped from our enrollment and reinstated back to Century on a space- available basis upon their return. There are no guarantees for placement back into the class from which the child left. If no space is available at Century the child will be sent to the closest school with space available.

Withdrawal from School

If you should decide to move from the District or to another school attendance area within the District, please notify the office that you are withdrawing your child. Not only does this help us with our record-keeping, but it also allows us to give you the information you will need to enroll your child at his/her new school.

Student Emergency Procedure Information

It is extremely important that each student have accurate and current emergency information on file in case of injury or sudden illness. If your child has a known allergy or other medical problem, please note this on the online Annual Information Update and notify the nurse. Any change of address, phone number, or medical condition must be changed on Parent Connect and to reported immediately to the school office.

Student Check - Out

On occasion, it may be necessary for you to pick up your child for an appointment or emergency. Students may not be removed from the school directly from the classroom. The student will not be called to the office until verification of California Driver's License of the adult, who must be listed on the Student Release Authorization form that you listed in Parent Connect signs them out. Please make sure that all the students' information is updated in the system.

Bicycles, Skateboards, Scooters

Students are to obey all traffic laws when riding bicycles to and from school. Helmets must be worn. Students are to remove their skates, walk their bikes, scooters, and skateboards while on school grounds. Riding any type of vehicle on campus is strictly prohibited. Racks are provided for parking bicycles. The school is not responsible for loss or damage to personal items.

Campus Club

Before and after school child care is available under the Campus Club program. Campus Club begins at 7:00 A.M. and ends at 6:00 P.M. The cost varies depending on the program session. For more information, please call 327-9160.

Breakfast and Lunch Program

Breakfast is served on a daily basis 25 minutes prior to the start of the school day. Breakfast is available to all students from K – 6 for \$1.00.

Hot lunch is served to students in grades 1-6. Hot lunches, which include milk, are available for \$2.25. Milks may be purchased separately for .40¢. Students purchase lunches through the use of a “lunch card” that holds the amount of money a parent has placed in a student’s lunch account. The student’s name and room number are automatically placed on the card to prevent loss. All payments for lunches are made in the cafeteria before school or at recess not in the office. Parents can also use PayPal through Parent Connect. Pre-payment is highly encouraged.

Lost and Found

All outer apparel, such as coats and sweaters, and other items, such as binders and lunch pails, should be labeled with your child’s full name. The lost and found box is located outside the cafeteria. Items not claimed will be given to a charitable organization every two weeks.

Physical Education

According to Education Code section 51210(a)(7), the District is required to provide, in the elementary setting, no less than 200 minutes every 10 school days, exclusive of recesses and the lunch period, physical education. Any complaints related to the failure of the District to adhere to this requirement may be filed under the District Uniform Complaint Procedures, BP/AR 9208, which is included in this handbook.

PE Excuses and Team Participation

A child will not be allowed to participate in any after-school sports programs or intramurals if they are not participating in PE due to a PE excuse. Additionally, a student must be present in school to participate in same-day practices, games, or any co-curricular activity on or off campus.

Library

Grades K-2 are allowed to have one book checked out. Grades 3-6 are allowed to check out two books. All books are stamped with the date the book is due. Overdue lists are sent to teachers weekly and students may lose personal responsibility points in class. We encourage our students to be responsible with their library book by taking good care of them and returning them on time. Any student with an overdue library books may not check out another book until it is returned. If a book has been lost or damaged it must be paid for so a replacement can be ordered. Any student with an overdue book(s) at the end of the school year will not be allowed to attend any end of the year activities until the obligation is taken care of.

Supplies & Textbooks

All essential student supplies are provided at school. However, often teachers will suggest a few items that are helpful and an added convenience to the student, but are never mandatory. Students are, responsible for the care of textbooks and other non-consumable items issued to them. Any lost, missing, or stolen textbooks are the responsibility of each student. Parents will be charged the full replacement cost for any textbook not returned at year’s end.

Grading Policy

Century students in grades 2 – 6 are graded on the following scale:

- A = 90 – 100% (Excellent Work)
- B = 80 – 89% (Above Average Work)
- C = 70 – 79% (Average Work)
- D = 60 – 69% (Below Average Work)
- F = 59% – below (Failing Work)

Effort

O = Outstanding

S = Satisfactory

N= Unsatisfactory

Failing Work

In addition, it is CUSD's policy that parents will be notified whenever students are in danger of failing classes. A Progress Report will be written for each student during the sixth week of each quarter and sent home for the parent to sign and return to school.

Student Behavior Expectations

Maintaining student conduct is necessary to achieving our goals of providing a safe school environment and student success. Century follows a philosophy that we all are responsible for our decisions and behavior. We promote a positive based intervention system based upon the Pillars of Good Character. We focus on a character pillar each month. The development of students to be good and productive citizens in society is part of the school's mission. Students are held accountable for their actions and decisions. A commitment to absolute non-violence is enforced at Century. The Clovis Unified School District has a Zero Tolerance Policy, Board Policy 2110, which is supported by the school. Students are expected to treat each other with respect, in a kind, courteous, and considerate manner. Verbal and physical abuse are not acceptable.

Discipline

Maintaining student conduct is necessary to reach our goals of providing a safe school and attaining the highest student achievement. Misbehavior results in specific steps which the teacher, GIS, or Principal takes to help the student find acceptable ways to improve his/her behavior. The steps may include: verbal warning, counseling, parent contact, or parent conference. Certain infractions may result in loss of recess, detention, loss of co-curricular privileges, or suspension. See CUSD Board Policy 2102 & 2110 for the details.

Homework Policy

Century regards homework as an integral part of its students' education. The purpose of homework is for the completion of assignment in class and or practice of skills and concepts already taught. Homework for Kindergarten – 3rd grades should range from approximately 10 to 30 minutes per night. Homework for 4th – 6th grades should range from approximately 40 to 60 minutes per night. If your child is spending considerably more or less time on his/her homework, please feel free to contact your child's teacher.

Homework Planner

Planners are given to each student in Grade 3rd -6th on the first day of school. Students are expected to have their planners daily.

Homework Request

If you wish to obtain his/her homework, please notify the school before 10 A.M. This will give the teacher time to gather materials and send the homework to the office for pick-up after 3:15 P.M.

Bus Conduct

It is a privilege to ride the school bus and appropriate behavior is expected at all times. When a student violates a District bus regulation, the bus driver will report the incident to the Principal or GIS. The student and parent will be notified as a warning. If a student receives a citation, he/she may be suspended from riding the bus for a specified period of time.

Bus Rules and Regulations

The following bus passenger guidelines are presented in order that each student who rides the bus will arrive safely, on time, and in the proper frame of mind to learn and participate in activities. Board Policy requires passengers to follow instructions of the bus driver. All school and CUSD regulations apply while students are

aboard the bus (school or charter bus).

Bus Rules of Conduct:

1. Fighting is prohibited (physical contact or verbal altercation).
2. Threatening behavior and/or harassment of any kind is prohibited.
3. Weapons, smoking, laser pens, drugs, and alcohol are forbidden on or near a school bus.
4. Cross the street in front of the bus and only under the supervision of your bus driver.
5. Follow the instructions of your bus driver at all times.
6. Students are to remain seated and facing the front while the bus is in motion. **If the bus is so equipped, students SHALL appropriately utilize seat belts at all times.**
7. Keep your arms and head inside the bus at all times.
8. Profanity, indecent language, and obscene gestures are prohibited.
9. Any property defaced or destroyed on the school bus will be paid for by the student and/or their parent/guardian.
10. Eating, drinking, and chewing gum are prohibited.
11. Spitting or throwing objects on the bus or out the window is prohibited.
12. Loud or boisterous noises, singing or whistling will not be permitted.
13. Glass objects, inflated balloons, cleats, radios, tape recorders, roller blades, and skateboards will not be permitted.
14. Animals or insects (dead or alive) are not allowed on the bus.

Block “C” Award

The Century Block C Award is the highest award a student may earn. Students in grades 4-6 are eligible for this award and is presented at the end of the school year.

This award is designed to recognize students who exemplify the qualities that Century hope to foster in all of its students, namely: the desire for self- improvement; dedication and commitment in reaching for goals; concern for and service to others; and the willingness to be a positive role model to others. Individuals earning this prestigious award will receive a Block “C” plaque. Block “C” criteria forms are in the student planner as well as being available on the school’s web page.

Telephone Use

Each classroom is equipped with phones with outside lines. A student is allowed to use the telephone in their classrooms only in the event the teacher directs them to do so. Students will be permitted to use the office telephone only if they are unable to contact their teacher prior to or after school and the principal and or the secretary feel it is absolutely necessary. Phone calls from parents will not be put through to students. We do not encourage Century students to bring cellular phones to school. However, if a parent determines that it is necessary for their child to carry a cell phone, it must be turned “OFF” during the school day, including recesses and lunch. Century and Clovis Unified will not be responsible for any cell phone that a student brings to school that may be damaged, lost, or stolen.

Emergency Plan

Century has a written plan of action that outlines specific courses of action in the event that student safety is threatened. If a crisis situation exists, this document informs and mandates procedures that immediately provide consistent responses from school employees. Throughout the year planned drills are conducted to insure appropriate reactions from students and school employees.

Safety Concerns

Please notify the office staff or administration if you have any on-site or off-site safety concern that may impact the well-being of our students. Please remind your children to follow all safety rules, including using the crosswalk as the only area to cross the street.

Child Protective Services

It is important for parents to know that all school personnel are “Mandated Reporters” of child abuse. This means that should a staff member have even the slightest suspicion that a child has been abused, they must report it to the Child Protective Services (CPS). Failure to report a suspected case of child abuse leaves a staff member liable and could potentially result in the loss of their job.

Insufficient Funds

All checks returned to Century Elementary due to insufficient funds or due to closed account will be assessed a \$25.00 returned check fee. After May 1st, all payments for field trips, yearbooks, cafeteria accounts, etc. must be paid by CASH ONLY.

More Information

Information regarding the rights and responsibilities of all CUSD parents and students is available on the District’s Web site at www.cusd.com. If you do not have Internet access and would like a copy of the “District Handbook of Parent and Student Rights and Responsibilities,” please contact Century. Hard copies of the handbook will be made available to parents upon request.

Century Parent Teacher Club (PTC)

The Century Elementary Parent/Teacher Club is an organization open to all parents and staff. Every parent is encouraged to join and support the school and its functions. A close feeling of partnership prevails between the school and the families it serves, which relates directly to the enthusiasm and accomplishments of the Century children. The Parent/Teacher Club, with its many activities, is an integral part of the total school program. For more information on the Century PTC visit the website linked from Century’s home page.

Parent Visitation

In the interest of safety, *all visitors must report to the office and check out a visitor’s badge before being allowed on campus*. Parents are encouraged to stay involved with their child’s education. Prior arrangements must be made with the teacher to work in or visit the classroom. All visitors without a badge will be directed to the office. Teachers will not conference with parents during class time. Parents must report to the office when picking up their child for lunch and not to the classroom.

Parent Involvement

Parent involvement is an important part of implementing programs at Century. Parents are invited and encouraged to participate in the following: School Site Council (SSC), English Learner Advisory Committee (ELAC), School Assessment Review Team (SART), Intercultural & Diversity Advisory Council (IDAC), and the Parent Teacher Club (PTC).

School Parties and Birthday Treats

Room parents plan class parties scheduled during the year by each grade level. Room parents coordinate with the teacher for these events, which generally are scheduled at the end of the day. Please contact classroom teacher regarding birthday policy. If a teacher allows a small treat for birthdays, we ask that they be served during a recess, or at the end of the school day so that school learning time will be uninterrupted. Please do not deliver treats to the classrooms. Be mindful of food allergies when selecting class treats. We also ask that **no balloons or gifts deliveries be sent to the school**. Please do not distribute invitations to private parties at school.

Volunteers

A key part of Century Elementary’s total plan is community involvement. Volunteers are needed in the classroom to help the teacher. If you are interested please talk to your child’s teacher regarding how you can volunteer. All volunteers must conform to CUSD guidelines by submitting a volunteer application and picture ID to the school office each year. Volunteers should dress appropriately as to not detract from the educational process and *must obtain a visitor’s badge from the office before going to the classroom*. Please do not bring small children with you when you are volunteer. Adults and or Volunteers may not use or enter the student restrooms.

Home/School Communication

Communication between the home and the school is essential to the progress and development of each student at Century. The parent and the school are partners and your input into your child's education and the school is welcome and essential for effective operation. In addition to personal contacts between parents and school personnel, the following are the formalized forms of communication used at Century.

Tiger Bulletin is a weekly publication that is emailed home on Friday evening through Blackboard. This communication contains a weekly calendar and list events that will be occurring during the next week. The Tiger Bulletin is also available on the Century web page as a PDF file and a few printed copies are made available in the office.

Web Site

For up-to-date information, please refer to Century's website at <http://www.century.cusd.com> The web site also provides a direct link to the email address of your child's teacher.

Parent Connect

Parent Connect is an online tool parents can use to access key information regarding student's grades (second-sixth), attendance, lunch monies, and teacher communication. Parents receive login and password information in an email. Password and login information may also be requested from the school registrar.

Blackboard Connect

Blackboard Connect is another tool that we use to communicate information to parents. Additionally, Blackboard Connect will also be used judiciously to communicate important events to all parents and staff. Blackboard Connect may also be used to alert parents or guardians of an emergency/safety situation on campus. **Blackboard Connect attendance phone calls go out daily around 10am for students who are absent.**

Peachjar

CUSD and Century utilize Peachjar for electronic flyer distribution. Parents with an email address on file will automatically begin receiving eflyers in their inbox. Additionally, all eflyers can be viewed by clicking the Peachjar button located on our school's website.

Remind

Century uses "Remind" for school notifications, safety alerts, and other important information. Receive text alerts on your phone. Text: @tigers2000 To: 81010.

School Assessment Review Team (S.A.R.T.) Committee

At Century, we have a committee of interested parents who meet once a quarter to study and evaluate the various components that comprise our total school and to offer input for ways of improving those components.

Basically, the objectives of our S.A.R.T. Committee are as follows:

1. To study and become knowledgeable about the various programs and components that make up the total school operation.
2. To discuss (as representatives of the community) the effectiveness and appropriateness of these programs and components relative to the goals of the school.
3. To aid in assessing school/community attitudes about the total school program.
4. To help communicate with the community.
5. To provide representatives for the Superintendent's Roundtable and District S.A.R.T. which meets once a quarter.

Dress Code

Each student has the responsibility to dress appropriately for the school environment. The Governing Board shall authorize school regulations, which prohibit student dress, or grooming practices which present a hazard to the health or safety of the student, materially interfere with school work, create disorder, or disrupt the educational program in any way, cause excessive wear or damage to school property, prevent the students from achieving educational objectives because of blocked vision or restricted environment. Shoes that allow safe movement of the student must be worn daily for physical education. Please see the CUSD Parent and Student Rights Handbook for more dress code information under Board Policy 2105. At Century, only Buchanan Area hats will be allowed to be worn. Students can wear Century, Alta Sierra, or Buchanan hats.

Items Not Allowed at School

Students are not allowed to bring live animals, gum, candy, toys, electronic games, or music players to school. A teacher or administrator may take away such items from students and hold them for the parent to pick up. CUSD CATEGORICAL FUNDING PROGRAM INFORMATION FOR THE 2017-2018 SCHOOL YEAR

"Children Are Our Most Precious Resource"

On an annual basis Clovis Unified School District (CUSD) submits the Application for Funding Consolidated Categorical Aid Programs commonly called the Con Ap. The application is submitted in two (2) parts: Part I, which contains program and demographic information, is submitted by June 1 each year; and Part II, which contains the budget information and additional program data, is submitted by January 31 each year. The categorical programs included in the application are Title I, Part A – (Improving the Academic Achievement of the Disadvantaged Improving, Title I, Part C – Migrant Education, Title II, Part A – Preparing, Training and Recruiting High Quality Teachers and Principals, and Title III – Language Instruction for Limited English Proficient and Immigrant Students. Essentially, these funds are designed to assist students in mastering state standards.

Clovis Unified Schools are committed to establishing a true partnership with all facets of the Clovis Learning Community. CUSD values feedback and input. Parents continue to make positive differences in the lives of the children we all support. We know from research that participation in your child's education will not only bring success to your child but other children in the school. Our parents truly make a difference in the lives of Clovis kids!

CUSD is proud and pleased to offer a variety of parent involvement opportunities that improve our overall program. Depending on the type of categorical funding a site may receive, district or school parent councils and committees are required under certain requirements and guidelines. Such advisory committees in the CUSD include:

School Site Council (SSC)
English Learner Advisory Committee (ELAC)
District Advisory Committee (DAC) and School Advisory Committee (SAC)
District Learner Advisory Committee (DELAC)
District Migrant Education Parent Advisory Committee (DMEPAC)
District Indian Education Parent Advisory Committee (IPAC)
School and District level School Assessment Review Team (SART)
Intercultural and Diversity Advisory Council (IDAC)
Local Control Accountability Plan Public Forums (LCAP)

We encourage all parents and guardians to become involved with their child's education, at the classroom level, the school-wide level as well as the district level. Each school's Single Plan for Student Achievement (SPSA) describes the school's basic educational program and the categorical supplementary programs/services that are designed to support student achievement of each and every student. Parental involvement is a necessary and vital part of developing the SPSA as well as our overall program. At the district level, parent committees provide input into each of the site's SPSA and to the District's Local Education Agency Plan (LEAP). If you would like additional information on any of the District Parent Councils or Committees, please call your child's school. The Principal, Learning Director, or Guidance Instructional Specialist (GIS) would be happy to assist you, or go to <http://www.cusd.com/supplemental> services. These two school committees meet on a quarterly basis. The committees are comprised of administration, staff and parents. Students are also involved at the intermediate and secondary level.

Listed below are several parent committees that assist with categorical programs and funding. For more information, please call your school or go to: <http://www.cusd.com/supplemental> services.

School Site Council (SSC): All schools receiving categorical funds are required to form a SSC. The SSC is composed of parents, students at the secondary level and school personnel. It is responsible for developing, implementing and evaluating the Single Plan for Student Achievement programs. Members serve for two years and are elected by their peers.

District Advisory Committee (DAC) & School Advisory Committee (SAC): The entirety of the SSC acts as the SAC. The SAC serves as an advisory committee for the purpose of advising schools regarding supplemental education programs and acting as a liaison for their school community. They serve to share information and comments both at the district and site level. These education programs are supplemental education opportunities provide to students who are disadvantaged, English learners, foster youth and/or at-risk. The SSC has approved to designate our SSC pursuant to California Education Code (EC) Section 52852 to function as the School Advisory Committee.

English Learner Advisory Committee (ELAC): All schools enrolling 21 or more English learners are required to form an ELAC. The ELAC is composed of parents and school personnel. The ELAC provides input and makes recommendations to the principal, staff and SSC regarding services for English learners as well as conducts an annual survey. Members serve for two years.

District English Learner Advisory Committee (DELAC): Whenever there are 51 or more EL students in the district, there shall be a functioning District English Learner Advisory Committee (DELAC). It is important that each school site ELAC elect a DELAC representative and arrange to have that representative attend every DELAC meeting. Currently the DELAC bylaws require each DELAC representative to be 1) a parent/guardian of an EL or former EL (i.e., a reclassified fluent English proficient student) currently enrolled at the site he/she represents, and 2) elected to serve as the DELAC representative by the site ELAC.

District Indian Education Parent Advisory Committee (IPAC): The CUSD Native American Indian Education Parent Advisory Committee meets four times a year to discuss program issues, services provided, and other needs related to the student achievement of our students, community agencies and outreach programs. CUSD Indian Education Program addresses the needs of American

Indian and Alaskan Native students in grades Kindergarten – grade twelve. The program assists eligible students to achieve at the same challenging state performance standards expected of all students in grades pre-K -12.

Local Control Accountability Plan (LCAP) Forums: CUSD develops an LCAP annually that works to better align the academic plan with the district expenditure plan that is approved by our CUSD Governing Board each June. Parents and other stakeholder groups are invited to participate in the development of the LCAP through participation of school and district committee meetings and community forums. LCAP School, District Meetings and Community Forums are exciting opportunities for all stakeholders and school committees to engage with the District and share their ideas on how CUSD can provide quality opportunities and support for CUSD youth and schools. Community participation and feedback in the forums will inform the District's LCAP's funding priorities over the next several years.

These forums are designed to provide an opportunity for school communities to hear about CUSD's current efforts to support youth and families and to provide input and feedback on future plans and opportunities. Sites also have an opportunity to work together in teams to share new ideas to support identified groups and to plan for site engagement and implementation.

The following is an overview of the categorical funding and programs in CUSD. These funds are further discussed and outlined in each school's SPSA and at the committee meetings.

Rationale

General District funds provide support for the District's base/core curriculum program. Some children have special characteristics, not reflective of the general school population, that affect their success in the base/core programs. Some come from economically disadvantaged homes; some are educationally disadvantaged or lack English language proficiency because they have a primary language other than English. Children, such as those described above, require supplemental services and materials not generally provided through the base/core curriculum program. The needs of our children are identified and supplemental services and materials are planned and targeted to meet their special needs. Categorical funds are to be used to provide the financial support to meet these special needs.

Philosophy

All CUSD schools offer students with special needs the same kinds of high quality learning opportunities and access to the core curriculum in all curricular areas. Categorical funds are designed to support additional assistance to help students succeed in the regular classroom program (base/core curriculum) and address any learning gaps. The focus is on the effective utilization of supplementary materials, personnel, and staff development. Staff development activities are used to improve instructional practices and strategies to increase the ability of teachers and other staff to challenge and assist all students to reach their fullest potential.

Categorical Program Descriptions

1. **After School Safety and Education Funds (ASES):** This state funded and administered program provides three year grant funding to establish or expand after school programs that provide students with academic support and intervention, enrichment opportunities and supportive services to help the students meet state and local standards in core content areas. The goals of this program are to: 1) improve academic achievement, and 2) provide enrichment opportunities that reinforce and complement the academic program.
 2. **Title I, Part A (Improving the Academic Achievement of the Disadvantaged):** A federal-funded program to provide high-quality opportunities for students in high-poverty schools to meet district and state content and performance standards.
3. **Title I, Part A, Title X, Part C, Education for Homeless Children and Youths:** Title I, Part A funds provide comparable services to homeless children that assist them to effectively take advantage of educational opportunities as provided to children in schools funded under Title I, Part A. 7. **Title VII (Indian Education Formula Grant):** A federal-funded program focused on helping Native American/Alaskan Native students meet the same challenging state standards required of all other students.

The goal of the CUSD staff is to create and maintain the best educational environment possible. This can be accomplished with your support and input. If you have any questions, concerns, or would like to become more involved in the educational process at your school, please contact your school principal. Your school can assist you in learning more about categorical programs. You may want to become involved in your school's School Site Council (SSC), English Learner Advisory Committee (ELAC) and/or attend the Annual Title I Parent Meeting. During the fall each school will send additional information about these activities. At the district level, we encourage you to become involved with our DELAC. We encourage and look forward to your involvement in the programs we offer our learning community.

If you have any questions, please call your child's school or the CUSD Department of Supplemental Services @ 327.9086, additional information may be found @ <http://www.cusd.com/specialprojects>.
