

Welcome Back Century Tigers

2018 - 2019

Welcome back to another great school year on the Century Tiger campus. Century's PTC would like to introduce ourselves and encourage you to consider being a part of our volunteer community that supports your children's education and school experience in a variety of different ways.

We are dedicated to be sure our Tiger families are aware of all PTC programs and activities. Our goal this year is to increase participation in the PTC events, including the monthly meetings, and fundraisers. We have a variety of areas that we need your help. Whether you have 30 minutes or a couple of hours to contribute; your ideas, time and talents are truly needed. Please review the attached list to select an area that might meet your needs.

PTC Meeting:

Please join us at our first general meeting on Tuesday, September 4th. We want to hear from you . . . if there is a way you can help that fits with your schedule, then maybe we can help find a good match for you!

PTC Memberships:

By participating in Century's PTC and becoming a member, you are helping to keep our students involved in all the wonderful programs and events that we offer our community. Money raised through PTC memberships and fundraisers help fund scholarships, technology needs, classroom/library books, classroom supplies, and campus improvements. Attached is a PTC membership form, please take the time to complete and become a member.

Please visit the Century PTC website (<https://centuryelementaryptc.weebly.com>) to keep updated on upcoming events. We look forward to seeing our existing members and meeting our new Century families. This type of team-work is what helps make Century great . . . "we work better together".
