

CENTURY ELEMENTARY SCHOOL

965 N. Sunnyside Avenue, Clovis, CA 93611

Date: September 20, 2021

Dear Parents,

Century School is in the process of electing members to the School Site Council (SSC) for the 2021-2022. The SSC is required for schools receiving categorical funds such as Title I and Title III funds. These funds are used to supplement the regular school program. Century School receives the following categorical funds: LCAP, Title III, Immigrant, Title III LEP.

The purpose of the of the SSC is to ensure the school is continually engaged in identifying and implementing curriculum and instructional practices resulting in strengthening the core academic program and ensuring pupils have success in school. This core program should embody the District's curriculum, which itself should reflect the state frameworks and curriculum standards. The SSC is charged with the task to develop and approve the Single Plan for Student Achievement (SPSA); which is a comprehensive plan designed to improve the effectiveness of the school program. The school's improvement effort should also be coordinated with the District's effort to upgrade its curriculum offerings and quality of instruction in order that both the school, through the SSC, and the Governing Board, through the District Office, become part of a single improvement effort. The council shall carry out all other duties and responsibilities assigned to it in the Education Code of the State of California.

Century School in Clovis Unified School District (CUSD) has designated our School Site Council (SSC) established pursuant to California Education Code (EC) Section 52852 to function as the School Advisory Committee (SAC). One member of the SAC designates one member from the school SSC to serve as a voting member on the District Advisory Committee (DAC). SAC serves an advisory committee for the purpose of advising schools regarding their specific categorical programs and the role of developing the LCAP in the creation of a plan that will make a meaningful difference in the lives of our students. The District Advisory Committee (DAC) will engage in meaningful consultation, under the guidelines provided by Administrative Procedure 9062, on any program changes that have not originated from the DAC.

In order to accomplish this task, the SSC meets on a regular basis to assess student needs, develop, and approve the plan including categorical budgets, and monitor its implementation. At Century School the SSC meets on a quarterly basis in the library or conference room.

Members of the SSC include the principal, classroom teachers, other staff members, parents, and at the secondary level, students. Members of the SSC are elected by their peers; therefore, parents are elected by parents. One parent needs to be elected this year for the 21-22 SSC. A member serves for two years. If you are interested in being a member of the SSC open the link in this email and complete the google doc form by 9-22-21 and your nomination will upload in real time. Nominations will not be accepted after 9-22-21. After all nominations are in, a ballot will be emailed to all parents. The parent with the highest number of votes will serve on the SSC.

If you have any questions, please call the school (559) 327-8400.

Sincerely,

Lisa Peterson, GIS, Sr.
