

Century's Giving Tree

Dear Century Families:

The holidays are quickly approaching and the tradition of our "Giving Tree." Many children with significant needs live within the boundaries of Fresno County. The Century's Parent Teacher Club has offered the generosity of our community to the children at Century Elementary School and Birney Elementary as the recipients of our Giving Tree efforts.

Century Elementary has identified the very neediest children and obtained information on the ages and clothing sizes of all children in their families. If you choose to participate in this program, here is some information you will need to know:

- * Our "Giving Tree" is located in Century's Library
- * On the tree are ornaments with the age and clothing sizes of each child
- * Your child may participate by bringing this signed permission slip to the library and select an ornament.

Beginning on Monday, November 26th, your child may select and sign out an ornament from our Giving Tree. After making your selection, you may shop for item(s) of new clothing and a small toy for your Giving Tree child. You will then wrap your gift in a single box with the ornament securely attached to the outside of the package.

All items must be returned to Century's Giving Tree by FRIDAY, DECEMBER 7th.

_____ (child's name) may bring this slip to the library to select and sign out _____ ornament(s) from Century's Giving Tree. Please remember all items are due by Friday, December 7th.
