

CENTURY ELEMENTARY School, Clovis Unified School District 2021 – 2022 Parental Involvement Policy

At CENTURY ELEMENTARY School, we recognize that parental involvement is a critical dimension of effective schooling. The school and the home cannot be looked at in isolation from one another; families and schools need to collaborate to help children adjust to the responsibilities of being successful students. Research has shown that parental involvement contributes greatly to student achievement and conduct. The Clovis Unified School District's Parent Involvement policy is outlined in CUSD Board Policy #6020. Each CUSD School creates a School Parent Involvement Policy in collaboration with the different parent groups and committees that is tailored to the needs of their school and learning community.

The staff at CENTURY ELEMENTARY School believes that we should help parents develop skills to meet the basic obligations of family life and foster conditions at home which emphasize the importance of education and learning. Two-way communication about school programs and students' progress is promoted due to the belief that education is a responsibility shared with parents. Parents are also invited to actively participate in school decision making and to develop their leadership skills in governance and advocacy. By joining the school councils and advisory committees, the parents are able to be involved in the planning, review, and improvement of Title I programs.

Through conferences and letters, parents are provided with timely information about curriculum, assessments, and expected proficiency levels for student achievement. Parents are invited to attend appropriate trainings to help the school and the students reach stated goals, objectives, and standards. This will ensure that the school remains focused on our primary responsibility to provide a high-quality curriculum and instructional program in a supportive and effective learning environment that enables all students to meet academic expectations set forth in the California State Standards. At CENTURY ELEMENTARY School, we believe that the parents have the responsibility and opportunity to work with the school in a mutually supportive and respectful partnership with the goal of helping their children succeed in school. We are committed to increasing parental involvement, which will ultimately improve student achievement.
